

PRIVACY POLICY

Network Medical Management, Inc. is committed to protect your privacy and developing technology that gives you the most powerful and safe online experience. This Statement of Privacy applies to the Network Medical Management, Inc. web site and governs data collection and usage. By using the Network Medical Management, Inc. website, you consent to the data practices described in this statement.

Collection of your Personal Information

Network Medical Management, Inc. may collect personally identifiable information, such as your e-mail address, name, home or work address or telephone number. Network Medical Management, Inc. also may collect anonymous demographic information, which is not unique to you, such as your ZIP code, age, gender, preferences, interests and favorites.

There is also information about your computer hardware and software that is automatically collected by Network Medical Management, Inc. This information can include: your IP address, browser type, domain names, access times and referring web site addresses. This information is used by Network Medical Management, Inc. for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Network Medical Management, Inc. web site.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through Network Medical Management, Inc. public message boards, this information may be collected and used by others. Note: Network Medical Management, Inc. does not responsible for any of your private online communications.

Network Medical Management, Inc. encourages you to review the privacy statements of web sites you choose to link to from Network Medical Management, Inc. so that you can understand how those web sites collect, use and share your information. Network Medical Management, Inc. is not responsible for the privacy statements or other content on web sites outside of the Network Medical Management, Inc. and Network Medical Management, Inc. family of web sites.

Use of your Personal Information

Network Medical Management, Inc. collects and uses your personal information to operate the Network Medical Management, Inc. web site and deliver the services you have requested. Network Medical Management, Inc. also uses your personally identifiable information to inform you of other products or services available from Network Medical Management, Inc. and its affiliates. Network Medical Management, Inc. may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

Network Medical Management, Inc. does not sell, rent or lease its customer lists to third parties. Network Medical Management, Inc. may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party. In addition, Network Medical Management, Inc. may share data with trusted partners to help us perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Network Medical Management, Inc., and they are required to maintain the confidentiality of your information.

Network Medical Management, Inc. does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent.

Network Medical Management, Inc. keeps track of the web sites and pages our users visit within Network Medical Management, Inc., in order to determine what Network Medical Management, Inc. services are meeting their needs. This data is used to deliver customized content and advertising within Network Medical Management, Inc. to users whose behavior indicates that they are interested in a particular subject area.

Network Medical Management, Inc. web sites will not disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Network Medical Management, Inc. or the site; (b) protect and defend the rights or property of Network Medical Management, Inc.; and, (c) act under exigent circumstances to protect the personal safety of users of Network Medical Management, Inc., or the public.

Use of Cookies

The Network Medical Management, Inc. web site use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the web server that you have returned to a specific page. For example, if you personalize Network Medical Management, Inc. pages, or register with Network Medical Management, Inc. site or services, a cookie helps Network Medical Management, Inc. to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as addresses, and so on. When you return to the same Network Medical Management, Inc. web site, the information you previously provided can be retrieved, so you can easily use the Network Medical Management, Inc. features that you customized.

You have the ability to accept or decline cookies. Most web browsers automatically accept cookies, but you

can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Network Medical Management, Inc. services or web sites you visit.

Security of Your Personal Information

Network Medical Management, Inc. secures your personal information from unauthorized access, use or disclosure. Network Medical Management, Inc. secures the personally identifiable information you provide on computer servers in a controlled, physically secure environment, protected from unauthorized access, use or disclosure. It is also protected through the use of encryption, such as the Secure Socket Layer (SSL) protocol.

Changes to this Statement

Network Medical Management, Inc. will occasionally update this Statement of Privacy to reflect company and customer feedback. Network Medical Management, Inc. encourages you to periodically review this Statement to be informed of how Network Medical Management, Inc. is protecting your information.
