Scope: All Network Medical Management employees and subcontractors supporting Medicare part C and Part D Plan functions.

Statement: Network Medical Management screens its health care providers, business partners, employees, and downstream entities, as applicable, prior to hire or contract and monthly thereafter, against both the Department of Health and Human Services Office of Inspector General List of Excluded Individuals and Entities (OIG) and the General Services Administration list of excluded parties contained within the System for Award Management (GSA/SAM).

Network Medical Management promptly removes any individual or entity appearing on either of these lists from any work and promptly reports any such exclusions and actions to the appropriate Sponsor.

Records of such screenings and their results will be retained for a period of at least 10 years.
